MOBILE LIFESTYLE **SERIES**

Twist360°™

THE ULTIMATE **UNIVERSAL TABLET** ACCESSORY

ORG-352-BL

ORG-349-BL

The Twist360° is a revolutionary new tablet mount capable of infinite viewing positions for a wide variety of applications. The versatile and portable design features the TwistGrip, a rotating handle and multipurpose stand, making it the perfect accessory at home, in the classroom or office, or when traveling.

Adjust the TwistGrip and the Twist360° instantly becomes a handheld or desk stand with endless viewing positions. Flip the TwistGrip completely over and it becomes a convenient handle for transport.

FEATURES

- **TwistGrip allows infinite viewing angles in both landscape and portrait**
- **Simple and comfortable to use, adjust the TwistGrip and you're ready to go**
- **Lightweight and portable, great for air or in-car travel (velcro car headrest strap included)**
- **Durable design protects the sides of your tablet while offering full access to all device controls**

WORKS GREAT WITH...

- **Apple® iPad®**
- **Blackberry® Playbook®**
- **Samsung® Galaxy Tab®**
- **Motorola® Xoom®**
- **Amazon® Kindle®**
